

# Minutes of November 19, 2025

## KBC Board Meeting

The meeting was called to order at 4:22 pm by President Peggy Spencer, after the bridge game at the school. In attendance were Dan Sabo, Dorothy Case, Robin Wagner, Marilyn River, Dean Jenkins and myself, Penny Kallaus.

**Dean** is now the club manager and **Jean Z.** is officially off the board.

We approved the minutes from the March 12<sup>th</sup> meeting.

We approved the **financial report** that **Marilyn** had emailed to everyone. She wanted some clarification on what the directors were supposed to get paid. It was decided that **Patrick** was supposed to get between \$65 and \$85 a session depending on the number of tables. **Sharon** was to get \$60 a session but if she had to do more than 1 game in a week, she would get \$70 for the second game. Any other directors would get \$60.

**New Business:** We approved **Sherry** bringing her little emotional support dog Daisy to the games but decided that she would need to get reapproved by the school since it was a new administration.

**Dean** will be relearning how to do the boards with brush up lessons from **Sherry**.

We decided that players suspended by BBO would be OK to play in our club on an individual case basis at club discretion though it's possible they may not get points during their 3 mos. suspension (their partners would get points).

We approved giving the usual \$1000 gift to the school in December.

**Christmas party** will be December 17<sup>th</sup> with lunch before the game and our brief annual meeting before the game. We need to update our email list so that people can be notified and we can request suggestions for new board members. Possibly sign up genius could be used to give people more info on the special games, etc. **Dean** will look into it. Budget for the party will be \$10-\$12 a person. We would like people to sign up.

November 30<sup>th</sup> will be a Unit game with Lunch.

We agreed that the club would reimburse **Peggy** to attend the Best Practices class for bridge teachers at the upcoming Fall Nationals in San Francisco. Then in January she plans to have bridge classes for beginners.

Meeting was adjourned at 5:07 pm.
